King's University College is a small, co-educational Catholic College, affiliated with the University of Western Ontario and sponsored by the Diocese of London. As a Christian community of higher learning, King's has as its goal the academic excellence of its faculty and students in an environment which acknowledges the Christian vision, conveys its teachings, and promotes its values while creating a community that fosters the overall personal growth of its members.

King's University College is committed to scholarly excellence and seeks to attain it through creating an environment in which creat
