INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of King's University College Foundation at The University of Western Ontario

Opinion

We have audited the financial statements of King's University College Foundation at The University of Western Ontario (the Entity), which comprise:

the statement of financial position as at April 30, 2024

the statement of operations and changes in fund balances for the year then ended

the statement of cash flows for the year then ended

and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at April 30, 2024 and its results of operations, its changes in fund balances and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Page 2

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Page 3

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

King's University College Foundation at The University of Western Ontario (the "Foundation") is an incorporated entity which was founded to raise and manage funds for King's University College at The University of Western Ontario (the "King's University College").

The Foundation is a registered charity and is classified as a public foundation under Section 149.1(1) of the Income Tax Act (Canada), (the "Act"). As such, it is exempt from income taxes and able to issue donation receipts for income tax purposes. In order to maintain its status as a public foundation registered under the Act, the Foundation must meet certain requirements within the Act. In the opinion of management, these requirements have been met.

- 1. Significant accountin g policies:
 - (a) Basis of presentation:

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Canada Handbook - Accounting. The financial statements of the Foundation are maintained in accordance with the restricted fund method of accounting. Accordingly, all financial transactions have been recorded in three funds: Operating Fund, Restricted Fund and Endowment Fund.

The Operating Fund accounts for revenue and expenditures involved in the administration of the Foundation. The Operating Fund reports unrestricted resources available for immediate purposes.

The Restricted Fund accounts for the receipt and expenditure of donations for specified purposes.

The Endowment Fund accounts for amounts that are to be maintained in perpetuity. Investment income from the Endowment Fund is allocated to the Restricted Fund.

(b) Revenue recognition:

All donations and bequests are recorded as revenue in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Gifts in kind are recorded at their estimated fair market value on the date of their donation.

Pledges are not recorded as revenue until received due to the uncertainty of collection. Accordingly, pledges outstanding and not received at the year end are not recorded as an asset in the financial statements.

- 1. Significant accountin g policies (continued):
 - (b) Revenue recognition (continued):

Investment income is recognized as revenue when earned. Special events revenue is recorded when the event has occurred.

(c) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the year. Actual results could differ from those estimates.

(d) Investments:

Funds available for investment from the Restricted Fund and Endowment Fund are invested in pooled funds which are managed by an external fund manager. The Foundation records its investments in pooled funds at fair value using unit values supplied by the fund administrator, which represents the Foundation's proportionate share of the underlying net assets at fair values determined using closing market prices. Pooled fund distributions, realized gains or losses and the change in unrealized gains or losses on investments are recorded as investment income in the statement of operations.

(e) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Investments are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

1. Significant accountin g policies (continued):

Financial instruments (continued):

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

The Foundation does not enter into any derivative financial instrument arrangements for hedging or speculative purposes.

2. Related part y transactions:

Revenues of the Foundation are received by, and expenditures are paid by, King's University College on behalf of the Foundation, giving rise to an ongoing amount receivable from or payable to King's University College. The amount due to King's University College at April 30, 2024 is \$769,770 (2023 - \$887,167) and is unsecured, non-interest bearing and has no specific repayment terms.

King's University College provides an annual subsidy of \$124,848 (2023 - \$122,400) to assist in the operation of the Foundation.

3. Interfund balances:

Due to the nature of the Foundation's budgeting and banking systems, all cash transactions are initially recorded in the Operating Fund. Any transactions pertaining to other funds are then balanced through the interfund balance accounts.

4. Investments:

(a) The fair values of investments in pooled funds are as follows:

	2024	2023
Russell Canadian Equity Fund	\$ 1,648,058	\$ 1,493,326
Russell Global Equity Fund	4,774,331	4,381,379

- 4. Investments (continued):
 - (b) Investment income (continued):

Total investment income earned in the year is allocated to each fund, calculated based on the average Endowed and Restricted Fund balances outstanding for the year, as follows:

- (i) 4% is directed towards student awards and bursaries within the Restricted Fund;
- (ii) 2% is allocated to the Operating Fund, and;
- (iii) 1.5% is allocated to the Income Stabilization Fund within the Restricted Fund, subject to available funds.

Each year, irrespective of investment income earned, a minimum amount is allocated to the Operating Fund to offset investment counsel fees incurred for the year.

In years when investment returns are insufficient to satisfy the stated allocations to the Restricted and Operating Funds, amounts are transferred from the Income Stabilization Fund into these funds.

To the extent that any unallocated investment income remains, amounts are allocated to the Endowed Fund or King's University College priority projects as recommended annually by the Foundation Board of Directors.

5. Pledges:

The estimated value of donations which have been pledged but not received as at April 30, 2024 was \$3,698,628 (2023 - \$3,958,989). These amounts are not reflected in the financial statements of the Foundation. The collection of pledges is expected to occur as follows:

2027 332,588 2028 307,664 2029 and subsequent years 2,580,232	2025 2026	\$ 126,025 352,119

- 6. Financial risks and concentration of ris k (continued):
 - (iv) Interest rate risk:

A portion of the Foundation's financial assets and liabilities are interest bearing and as a result, the Foundation is subject to interest rate risk. In general, bond returns are sensitive to changes in the level of interest rates, with longer bond prices being more sensitive to interest rate changes than shorter term bonds.

Fixed rate instruments subject the Foundation to a fair value risk while the floating rate instruments subject the Foundation to a cash flow risk.
