Application Guidelines for Research
Grants in Lieu of Salary

- (a) Full-time faculty whether on sabbatical leave or not may apply to receive a research grant in lieu of salary.
- (b) The maximum amount for faculty on sabbatical leave is \$20,000. For faculty not on leave, the maximum is \$5,000 per year. The amount of the research grant will be reflected as a reduction in the researcher's salary and will be reported on an income tax T4A slip.
- (c) Application for such grants should be made to the Dean on Research Grant application form A (attached). In completing the application, faculty should provide a description of
